## Features and Benefits

### JBL Pure Bass sound

For over 60 years, JBL has engineered the precise, impressive sound found in big venues around the world. These headphones reproduce that same JBL sound, punching out bass that's both deep and powerful.

### 1-button remote with microphone

Control music playback with a convenient one-button remote. Got an incoming call? Answer it on the fly with the built-in microphone.

### Tangle-free flat cable

A flat cable that's durable and won't tangle up in knots.

### Metallic-finished housing

Enriched with metallic touches, the TUNE 210 doesn't compromise on design quality.

### Soft carrying pouch

The TUNE 210 can be conveniently stored in the soft carrying pouch and carried along.
