

JBL T300A

On-ear headphones with a single button remote/mic that come in a variety of colors

Enjoy big, bold, JBL sound.

Drawing on expertise learned from building some of the finest loudspeakers in the world, JBL engineers created lightweight, noise cancelling headphones that deliver signature JBL sound. The T300A's 40mm drivers generate high sensitivity, extended frequency response and PureBass performance that is deep, powerful and accurate. So you hear the truth from your favorite music. And because we know headphones are an extension of your personal style, JBL T300A's come in a variety of colors and are equipped with a durable cord for stress-free sound enjoyment. Along with the adjustable, padded headband and padded ear cups, there's an in-line microphone that lets you conveniently take calls from any smartphone without taking the headphones off.

Features

- ▶ JBL signature sound
- ▶ Lightweight for on-the-go listening
- ▶ Single button remote/mic
- ▶ Exciting color combinations
- ▶ Fold-flat, closed-back ear cups

JBL T300A

On-ear headphones with a single button remote/mic that come in a variety of colors

JBL signature sound

JBL drivers deliver precise, powerful sound for an exceptional listening experience.

Lightweight for on-the-go listening

Enjoying a comfortable listening experience even for extended time periods means you can take your music wherever you go.

Single button remote/mic

Easily answer calls without ever taking your headphones off.

Exciting color combinations

Great sounds. Great style.

Fold-flat, closed-back ear cups

The ear cups on the JBL T300A headphones fold flat when you're not using them, making the headphones easy to transport and store. And the closed-back design provides a private listening experience.
